I was told to wait
cuz you're not good enough
but now you're gonna see
that I'm made of stronger stuff.

You may think that I've messed up!
You mat think I've lost my way,
oh but you stay the same
and I feel this change in me every day.
A change in me every day.

And these streets are full of faces
everywhere that I go.
I might even walk past
someone that I used to know.

And my worn down paths they're
cold and they're cracked
and they're all painted gray.
Whereas my streets they always stay the same
but i feel this change in me every single day
A change in me every day

And I know,
yes I know that you want me to stay,
Oh but i need, yes I need
Oh I need to make my own way
and oh I need to hold on to you
yes and I need your loving arms to hold on me too.

Cuz these things that I love I lost in this London way
Oh boy you stay the same
But i feel this change in me!
A change in me every day.
