Ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do

Meet me in the red sky and dance with me
Let the valley change you and the night set you free
This dusk in the desert, it's heaven at the gate
You are my desire, you are my escape

Ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do

Open up this moment and bury me inside
I can see us changing like a season over time
It's silver on the river, reflections of your love
Drown me in the silence, will never come undone

Ain't nobody can love me like you do
Ain't nobody can love me like you do, alright
Ain't nobody can love me like you do
Ain't nobody can love me like you do

Shadows are falling, tomorrow's closing in
Stay with me 'til morning, open up your wings
I can hear your whispers calling out my name
Will you promise me that you'll steal the night again?

'Cause there ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do
Ain't nobody can love me like you do

Meet me in the red sky and dance with me
Let the valley change you, the night set you free
This dusk in the desert, it's heaven at the gate
You are my desire, you are my escape
