Chorus:

I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking, I'm her friend!
My love is like a drug, she think she needs me
I had no warmth in my heart, I let it deep free
Baby girl, sexy drive is a GT
And if she put me to the test, I gotta cheat she
She say I make her complete
I go get that pussy wet, and then I sweep her off her
feet
Oh no, I might need a â€¦
..baby, that's alright with me
Baby, I just give and go, and pay my visit, I ain't staying
I keep her on her knees, but I'm not God, and she's not
praying
I heard money make her come, oh good luck, cause I'm
not paying
No, she love me, but she hating in aâ€¦

Chorus:

I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking, I'm her friend!
I know! She still can't let me go
I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking all her friends
I know, it's cold
But I'mma dog, I just can't help it
Know she love me like she say she do
I know, I just slap her on her ass
Then her panties hit the floor
I say go been up and.. and now that I'm done she had
toâ€¦
I say that pussy getting wet, I need a flow, or a mode
We sell her mattress to her sheets, I make her come
before I leave
I won't fuck around, be here all week
Can't tell my fam I lost the seat
I go in, and then repeat
And then repeat and fall asleep

When I wake up, she wants so more
It's fine with me, it's fine with me!
Baby, I just give and go, I pay my visit, I ain't staying
I keep her on her knees, but I'm not god, and she's not
praying
Money make her come, oh good luck, cause I'm not
paying
No, she love me, but she hating in aâ€¦!
Chorus:
I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking, I'm her friend!
I know! She still can't let me go
I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking all her friends
I know, it's cold
But I'mma dog, I just can't help it
Know she love me like she say she do
Yes, I'm so convinced
I had to put her in the game and put my friend back on
the bench
I'm more fresher than a mint, can't you brush me out
likeâ€¦!
Never met a guy as fly as me, but I can't be your Clark
Kent
She lay down, spread it out, I'm laying in, we sweat it
out
I need this, you wanna marry me
I disappear before I read the vow
No common bonds, no wearing gowns,
I lift her up, before I let her down
â€¦.she is better down
Sorry baby, quit playing around!
I just give and go, I pay my visit, I ain't staying
Keep her on her knees, but I'm not god, and she's not
praying
I hear money make her come, oh good luck, cause I'm
not paying
No, she love me, but she'll hate me in aâ€¦!
Chorus:
I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking, I'm her friend!
I know! She still can't let me go
I know she love me like she say she do
She tell me time and time again
But I just can't stop fucking all her friends
I know, it's cold
But I'mma dog, I just can't help it
Know she love me like she say she do
