Chorus:

I say I don't give a f-ck now like me
I say I don't give a f-ck now like me
Oh no, I don't give a f-ck now like me
Sorry I don't give a f-ck now like me!
F-ck 'em, I don't give a f-ck like me!

No, I don't got shit to prove
No, I ain't prove no more,
And I ain't no foe, but I still...
You're so concerned about my real life
And that's all right, but who are you?
It's just another nigger with a...
You don't know shit about 'em freaks
You probably still...
You don't know shit about your blog,
Cause you pay your bills with all that
How about your baby about to be born,
And you got pampers wipes...
How about your momma f-cking your best friend
And you're both friends at school
But it's ok, she thinks it's cool
You're in her way, it's time you move
And you just paid out her damn bills,
So you feel like a fool!
So what do you suggest I do,
You think you know, you got no clue
So please don't tell me hat you think I've been through!

Chorus:

I say I don't give a f-ck now like me
I say I don't give a f-ck now like me
Oh no, I don't give a f-ck now like me
Sorry I don't give a f-ck now like me!
F-ck 'em, I don't give a f-ck like me!

Ok, so I'm... funny, they're blaming on my dough
But I don't know you when I want to
So f-ck you, and your foes know I'm not mighty, I'm not
foe
I'm no... I' no low
And all that bang is... like I got told, it's all I know!

No, ain't no way we're cliquing up,
If I ain't with you when I was broke
And we was cool, and you...
We'll never be cool no more!
Niggers say ain't... before
And ain't no way I saw no dough
Well, I was... like imposing you too broke
So you would know!
I pay my bills, ain't pay no hoe
Ain't about no shoes, ain't about no doughs
I stay my ground up, trying to climb up
And get us at that hoe
And I did damn good, even though a nigger think...
And you can take my g and...

Chorus:

I say I don't give a f-ck now like me
I say I don't give a f-ck now like me
Oh no, I don't give a f-ck now like me
Sorry I don't give a f-ck now like me!
F-ck 'em, I don't give a f-ck like me!

I ain't tough for me, ain't shit for free no more!
I got the tool on dick, I don't...
Bring your money, keep your... but I need more...
If you try me and... you wouldn't breathe no more!
Brought my pounds scale for sale...
So for more,... momma came home
I got a job, but man, I'm on
And I pay bills, and I pay bills, and I pay bills
We're on our own!
I did what I had to do to get that...
So f-ck who think I'm wrong!
And if a beta don't let my songs pay me no...
Better move on, you are my... please hold on!
I got service all on my phone, and I came quick
Cause if I do...

Chorus:

I say I don't give a f-ck now like me
I say I don't give a f-ck now like me
Oh no, I don't give a f-ck now like me
Sorry I don't give a f-ck now like me!
F-ck 'em, I don't give a f-ck like me!
