I find shelter, in this way  
Undercover, hide away  
And can you hear when I say  
I have never felt this way

Rent due is a matter affect his past due  
And she'll be crushed if she'll receive in more bad  
news  
Sad Cinderella's story, no glass shoe  
And no fairy tale ending, only cash rules  
That's enough to make you nuts, no cash shoes  
Mama barely even have enough to buy us fast food  
So we took the rich like what we gotta loose  
Man, you like raccoons, 2 words, jack move  
Sorry mama, I really am, but really got a set to move  
And I don't see no way about this gutter, inside this  
classroom  
Sorry ma, I had to, really I was glad to  
How long you thought them unemployment checks was  
gonna last you  
Now I got 2 kids already out room, my dad shoes  
Cause he just ran away like fuck these rascals  
That's cruel, filled with all these birds that we just add  
to  
Dirty is the piloter of names I've been dragged  
through  
Going back to my grass roots

I find shelter, in this way  
Undercover, hide away  
And can you hear when I say  
I have never felt this way

Back over on our side of town  
We go work but no break room, we out of time  
allowance  
No job history, no checks stops, just all juices and  
pounds  
And then we balling until we catch a flagrant foul  
No I'm not bowing down, there ain't no fucking way  
no how  
You see the ...and the tux, or 40 acres and a house

You would think of giving up, should tuck his nuts and  
wear a blouse  
Real man face the storm with nothing but a smile  
Iâ€™m staring in my mirror, Iâ€™m so motherfucking proud  
I kept the pride of a lion, even when times got wild  
I go to hell and back and then go back just for my child,  
my children  
Do whatever to keep this food in our mouth  
And I would serve bullets to whoever interrupt our chal  
Iâ€™m just tryina lift us up like the people I brow  
Wow, look at all the hatred I found  
And all I did was lend a hand to all my folks that stayed  
down

I find shelter, in this way  
Undercover, hide away  
And can you hear when I say  
I have never felt this way
