I wanna be drunk when I wake up,
On the right side of the wrong bed,
And never an excuse that I made up,
Tell you the truth that it weren't,
Didn't kill me, yeah it never made me stronger at all,

Love will scare your makeup,
Lip sticks to me and make me lean back here,
I'm sat here, wishing I was sober,
And no i'll never hold you like I used to

But the house gets cold when you cut the heating,
Without you to hold i'll be freezing,
Can't rely on the heart-a-beating,
Cause you take part of it every evening,
Take words out of my mouth just from breathing,
Replace with phrases like 'when you leaving me?'
Should I, Should I,

Maybe I'll get drunk, again
I'll be drunk, again, I'll be drunk, again
To feel a little love.

I wanna hold your heart in both hands,
.....bottom of a coke can,
And i've got no plans for the weekend,
So should we speak then? Keep it between friends?
No I know you'll never love me, like you used to

And maybe other people like us,
Will see the flicker of the clipper when they light us,
Flames just create us, burns dont heal like before
You dont hold me anymore

On cold days cold plays out like the bands name
I know i cant heal things with a handshake
You know i can change, as I began saying
You cut me wide open like....
Open bottles of beer but never champagne
Im hear to applaud you with the sound that my hands
make

Should I? Should I?
Maybe I'll get drunk, again
I'll be drunk, again, i'll be drunk, again
To feel a little love again

All by myself
Im hear again
All by myself
You know i'll never change
All by myself
All by myself

I'm just drunk, again
I'll be drunk, again
I'll be drunk, again
To feel a little love
