The rain won't stop falling  
It's harder than before  
This car keeps on stalling  
Pedal to the floor

What I need to know  
Is if you love me and I really need to know  
Is if you want me when you call  
If you want me when you call

We were young and we were foolish  
School books in our arms  
Dodging homework, dodging classes  
To set off fire alarms

And what I need to know  
Is if you love me and I really need to know  
If you need me when you call  
If you want me when you call

We are waving our lives away  
We are waving our lives away  
We are waving our lives away  
We are waving our lives away

We are waving  
(And what I need to know)  
We are waving  
(Is if you love me and I)

We are waving  
(Really need to know)  
We are waving  
(If you need me when you call)

We are waving  
(What I need to know)  
We are waving  
(Is if you love me and I)

We are waving  
(Really need to know)

We are waving  
(If you need me when you call)

What I need to know  
Is if you love me and I really need to know  
If you need me when you call  
If you want me when you call
