My mind is a warrior,  
My heart is a foreigner,  
My eyes are the colour of red like the sunset,  
I'll never keep it bottled up,  
And left to the hands of the coroner,  
Be a true heart not a follower,  
We're not done yet,  
And i see it in your movements tonight,  
If we should ever do this right,  
Im never gonna let you down,  
Oh ill never let you down,  
Now keep it on the down low  
And ill keep you around so ill know,  
That ill never let you down,  
Ill never let you down.  
Your strumming on my heart strings like you were a  
grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let  
you down,  
Your strumming on my heart strings like you were a  
grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let  
you down,  
My eyes are a river filler,  
This drink is a liver killer,

Your chest is a pillow for my weary head to lay to rest  
again,  
Your body is my ballpoint pen  
And your mind is my new best friend,  
Your eyes are the mirror to take me to the edge again,  
Now I see it in your movements tonight,  
If we should ever do this right,  
Im never gonna let you down,  
Oh ill never let you down,  
We'll keep it on the down low  
And ill keep you around so ill know,  
That ill never let you down,  
Ill never let you down,  
Your strumming on my heart strings like you were a  
grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let

you down,  
Your strumming on my heart strings like you were a  
grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let  
you down,  
Hold my heart to stop me bleeding now, now, now, and  
ill never let you down x4  
Cus your strumming on my heart strings like you were  
a grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let  
you down,  
Your strumming on my heart strings like you were a  
grade 8 but i never felt this way,  
Ill pick your feet up off of the ground and never ever let  
you down,
