ED

mmmmm

I seem to find myself talking to the powers that be
awaking the shade and shadowed under towering
trees
admiring the seen, inhaling fumes that flowers that
breathe.
jet lagged eyes are begging for an hour to sleep
although my blood shot works and iris's they never find
any
clock stops at times where the sun shines can blind
many
although my eyes are heavy they wont be closing soon
cos i know that time waits for nobody, I suppose its true
we make rows of tunes with acid tabs and vocal cords
to see the flashing lights and photo shoot, we make al
motive moves

I say what ever I feel to vent a rhyme
so i can still invent the lines and stay close to the
friends of mine
cos we all recognise, real is what my father says
and i'll be sticking to this phrase until I pass away
overworking, no sleep its just another way to die slow
but i'll just keep going strong as ever and never let my
eyes close

DEVLIN

5 o'clock with lights off
interview with a vampire
sleep is for the living and not a utensil that I require
I swear i said, that i'll sleep when im dead
whos on the beat upon the feature with Ed its D-E-V to
the Z
over tired, pale faced like Michael Myers
bags underneath my eyes can show the baggage i've
acquired
and all the time within this maze i'll think you'll find
you'll never find that peace of mind you seek to find
until your dying
see i got to much to stay awake for, to sleep or even

take 4 seconds out the game
its time to wage war
scissors, grab a sword and sharpen up your hunting
knives
2 psychopathic lyricists are driving on the hunt tonight
i'm haling from the Essex and the east London boarder
line
villans never sleep they mastermind in all sorts of
crimes
be wide awake just like your snorting lines
or get left mortified like you just seen the ghost of
Jesus walking by

CHORUS

I never sleep
when trouble steals thoughts from a restless man for
free, it could be, ahhh
the times i'm living in i never sleep, when trouble steals
thoughts from a restless man for free, it could be..

the times i'm living in lately.

ED

I brush my teeth every night but still I wake up with a
bad mouth
and the background is my past and my presence will
bring it back out
deliver the raps how i flow
I live with the raps now and those that hate me call me
wrong
but they wont slither in too easy, believe me im snake
minded
be within this great time, be on minimum wage, life is a
prison escape that im in
its all to do with timing not the label that you sign with
then my mates are doing fine but then they never put
the time in
i try to hide my cold side like when i flip my pillows
but then the songs i write are real cos the chart is filled
with si-li-cone
im still broke without the money for a mac bro, living
out of three bags no cash flow
opposite of sober cos i never did my homework
which has got me on the sofa, no degree but growing
older
i played a fool to catch the wise i will never tell a lie
i wake dead, take deep breaths, try to never die!
never die.

DEVLIN

2 guys with the same view, keep it tight like scrooge,

making metaphors flow and move, like ? and tunes
and if we got our eyes on you, we'll catch you while you
snooze,
times elapsing while your catching Z's, the masses like
to move
we scan the situation, analyse information and then
decide what probably is most practical to do
driven young gentlemen
i've hardly changed my bed sheets at all over the last
12 months cos i haven't slept in them, true!
im coming home, the lights are, your rights are wrong
so im correcting 'em
we got the fans all like 'oh wow its its Devs and Ed' what
less did you bloody expect from 'em
in the end sleep deprivation might just be our
detriment
fighting through writers block from 9 o'clock to 5
o'clock and no way will i ever waste a second of the
time i got
i keep my pupils engaged
like a classroom in holy matrimony but im only trying to
stay awake.

CHORUS

I never sleep
when trouble steals thoughts from a restless man for
free, it could be, ahhh
the times i'm living in i never sleep, when trouble steals
thoughts from a restless man for free, it could be.. x4
the times i'm living in lately.
