Shock, horror, i'm down  
Lost, your not around  
There's a lump in my chest that  
Sends cold through my head and  
My mind shuts sound out  
I'm on autopilot  
And my tongues gone silent  
Just switch it off and lay it down  
Lay it down, next to me

I don't know when i lost my mind  
Maybe when i made you mine  
Wooooohhh ohhhhh  
I don't know when i lost my mind  
Maybe it was every time  
That you said, you said, you saaaaaid  
That i miss you  
That i miss you

These words mean nothing to me  
I'm just in on a fence of how it used to be  
These three words, are aching  
Constrict them, suffocating  
My mind is racing  
With the picture i'm painting  
And my belly's sick to its stomach  
When i remember all the times he was with you  
When you laid it downwn  
When you laid down, next to me

I don't know when i lost my mind  
Maybe when i made you mine  
Wooooohhh ohhhhh  
I don't know when i lost my mind  
Maybe it was every time  
That you said, you said, you saaaaaid  
That i miss you, more then i let on  
I kissed you, far to long  
I'll let go, as soon as you do  
See i know, were not through

I don't know when i lost my mind

maybe when i made you mine  
Woouooooah ohhhhhh  
I dont know when i lost my mind  
Maybe it was every time  
That you said, you said, you saaaaaid  
That I miss you  
That i miss you  
Woouooaahhh

I don't know when i lost my mind  
Maybe it was every time  
That you said, you said, you saaaaaaid  
That i miss you
