Shorty get down, good Lord
Baby got 'em up open all over town
Strictly biz, she don't play around
Cover much ground, got game by the pound

Getting paid is a forte
Each and every day, true player way
I can't get her out of my mind
(say what)
I think about the girl all the time (well, well)

East side to the west side
Pushing phat rides, it's no surprise
She got tricks in the stash
Stacking up the cash
Quik when it comes to the gas
I no means average
Its always she's got to have it
Baby, you're a perfect ten, I wanna get in
Let me come in, so I can win

I like the way you work it
No diggity, I got to bag it up, bag it up now

She's got class and style
Street knowledge by the pound,
Shorty never act wild
Very low key on the profile
Catching villains is a no,
Let me tell you how it goes
Curves the words, spins the verbs
Lovers it curves so freak what you heard
Rollin' with the phatness
You quite never know what the half is
You got to pay to play
Just for shorty, bang-bang, to look your way
I like the way you work it
Tough notch, Trumped tight, every day,
You're blowing my mind, baby in time
Baby, I can get you in my ride

I like the way you work it
No diggity, I got to bag it up, bag it up now

Hey yo, hey yo, hey yo, hey yo
Hey yo, damn that girl looks good
Hey yo, hey yo, hey yo, hey yo
Play on, play on play on
Hey yo, hey yo, hey yo, hey yo
damn that girl looks good
Hey yo, hey yo, hey yo, hey yo
no no no

I'm gonna pop some tags
Only got twenty dollars in my pocket
I - I - I'm hunting, looking for a come-up
This is freaking awesome

I'm gonna pop some tags
Only got twenty dollars in my pocket
I - I - I'm hunting, looking for a come-up
This is freaking awesome

I'm gonna pop some tags (I like the way you work it)
No diggity, I got to bag it up, bag it up now
