Hey, hey, hey

I'm a pizza man with long rabbit ears  
If that made any sense at all  
Hello taco boy  
I see you like'd some taco  
So I'd offer you one

Hey, hey, hey

My name is ed and I'm so fly, oh  
I would love to go for a stroll under the moonlight  
No dvd or computer games just me and you under the  
star lights, ohhh, woah, woah.

If your eyes glint  
What are you telling me?

I don't fucking know where I'm going right now  
I'm just hella blind like you, just like you, oh  
I'm not black but I can rap just like that kid kanye

But I'm not entirely sure  
If I'm a stick  
Because I'm just being realistic  
Like I'm pessimistic, woah

Yeah, don't regret  
Yeah, don't regret

Were great, smoke pot  
Hey, hey, hey
