I've really been out there
Just little me out where
Taking the word on all alone
It really is lonely
When you think that it's only you
Trying to live all on your own

I'll be the branch
You be the vine
'cause i've been withering away
For some time
Now i feel Your healing flowing to my mind
I'll be the branch
You be the vine

So i come believing
Thirsty, receiving
From the waters of your soul
The light of the morning
Brings your redeeming love
That's all i ever need to know

I'll be the branch
You be the vine
'cause i've been withering away
For some time
Now i feel your healing flowing to my mind
I'll be the branch
You be the vine

I feel so free
When You are my Lord
And i am just me

I'll be the branch
You be the vine
'cause i've been withering away
For some time
Now i feel your healing flowing to my mind
I'll be the branch
