I am a poor, wayfaring stranger
Traveling through this world alone
And there's no sickness, toil, or danger
In that bright line to which I go
And I'm going there to see my mother
And I'm going there no more to roam
And I'm only going over Jordan
And I'm only going over home now

Hey Hey Hey Hey Yeah

And I know dark clouds, will gather me
And I know my way is rough and steep
And the beautiful fields that lie just before me
And I know my needs are rough and steep

And I'm going there to see my mother
And I'm going there no more to roam
And I'm only going over Jordan
And I'm only going over home now

Cause I am a poor, wayfaring stranger
Traveling through this world alone
And there's no sickness, toil, or danger
In that bright line to which I go
And I'm going there to see my mother
And I'm going there no more to roam
And I'm only going over Jordan
And I'm only going over home now
