Well I dreamed I saw the knights in armor coming
saying something about a queen
There were peasants singing and drummers
drumming and the archer split the tree
There was a fanfare blowing to the sun that was
floating on the breeze
Look at mother nature on the run in the twentieth
century
Look at mother nature on the run in the twentieth
century

I was lying in a burned out basement with a full moon in
my eyes
I was hoping for a replacement when the sun burst
through the skies
There was a band playing in my head and I felt like I
could cry
Thinking about what a friend had said I was hoping it
was a lie
Thinking about what a friend had said I was hoping it
was a lie
[piano]
Well I dreamed a saw the silver spaceships flying in the
yellow have of the sun
The were children crying and colors flying all around
the chosen ones
All in a dream all in a dream the loading had begun
Flying mother nature's silver seed to a new home in the
sun
Flying mother nature's silver seed to a new home
