Angel eyes, angel eyes
The ways of the world are feeble
Don't give up on simple people
Angle eyes.....
The blues you can live without
It's not what you song's about

Angel eyes, angel eyes
Tell me what would we do without
No light from angel eyes

You can move the hearts of men
Just with a phrase you're turning
Since hearts ever have been yearning
..... and so alone
Thin lines you've been living on
Are so close to the danger zone
