(Dallas Frazer)

Beneath still waters  
There's a strong undertow  
The surface won't tell you  
What the deep water knows  
Darling, I'm saying  
I know something's wrong  
Beneath still waters  
Your love is gone

Even a fool could see  
That you'll soon be leaving me  
But each and every heart  
Must take it's turn at misery

And this time it's me  
And I'll cry alone  
Beneath still waters  
Your love is gone

Even a fool could see  
That you'll soon be leaving me  
But each and every heart  
Must take it's turn at misery

And this time it's me  
And I'll cry alone  
Beneath still waters  
Your love is gone  
Beneath still waters  
Your love is gone  
Beneath still waters  
Your love is gone
