(Gram Parsons/Chris Hillman)

She's a devil in disguise -- you can see it in her eyes  
She's tellin' dirty lies -- she's a devil in disguise -- in  
disguise

Now a woman like that, all she does is hate you  
She doesn't know what makes a man a man  
She'll talk about the time that she's been with you  
She'll speak your name to everyone she can

She's a devil in disguise -- you can see it in her eyes  
She's tellin' dirty lies -- she's a devil in disguise -- in  
disguise

Unhappiness has been her close companion  
Her world is full of jealousy and doubt  
It gets her off to see a person crying  
She's just the kind that you can do without

She's a devil in disguise -- you can see it in her eyes  
She's tellin' dirty lies -- she's a devil in disguise -- in  
disguise

Her number always turns up in your pocket  
Whenever you are looking for a dime  
It's alright to call her but I'll bet you  
The moon is full and you're just wasting time

She's a devil in disguise -- you can see it in her eyes  
She's tellin' dirty lies -- she's a devil in disguise -- in  
disguise  
In disguise [in disguise] in disguise [in disguise]
