Tempted and tried we're oft made to wonder why it
should be thus all the day long
While there are others living about us never molested
though in the wrong
When death has come and taken our loved ones it
leaves our home so lonely and drear
Then do we wonder why others prosper living so
wicked year after year
Farther along we'll know all about it farther along we'll
understand why
Cheer up my brother live in the sunshine we'll
understand it all by and by
[piano]
Faithful till death said our loving Master a few more
days to labor and wait
Toils of the road will then seem as nothing as we sweep
through the beautiful gates
Farther along we'll know all about it...
Yes we'll understand it all by and by
