A light shines from my window I just can't sleep no  
more  
Lord it hurts so much to be alone  
But the real men never do admit that it's them that  
might be wrong  
At least that's what he told me in his song  
He rode all the way to Texas on an old freight train  
Didn't miss the girl he left behind  
He rode all the way to Texas didn't she'd a tear  
He's lettin' you know that he's the moving kind

The freedom that he sings about I guess I'll never know  
I just can't shake the guilt or kill the pain  
But he lets me ride when the lights turns low get on  
board the radio  
And take a ride to Texas on his train  
He rode all the way to Texas...  
He's lettin' you know that he's the moving kind
