Well tonight I'm gonna wear my dancin' shoes
Cause I heard the word and I heard the news
There's a gal in town she's packin' 'em in
If you've seen her once you'll see her again
She's got a red hot dynamite band
They're burnin' down another one night stand
Headlinin' double shows everybody go see Sally Rose

She sure knows how to rock the crowd rocks 'em slow
rocks 'em loud
So you better move fast 'cause tickets are tight
If you wanna see Sally Rose pick it tonight
She's got a red hot dynamite band...
