(Buck Owens)

Oh the sun's gonna shine in my life once more
Love's gonna live here again
Thing's are gonna be the way they were before
Love's gonna live here again

Love's gonna live here
Love's gonna live here
Love's gonna live here again

No more loneliness
Only happiness
Love's gonna live here again

I hear bells a ringing
I hear birds a singing
Love's gonna live here again

I hear bees a humming
And I know the days a coming
Love's gonna live here again
