(Sonny Throckmorton)

She's going to pieces when he walked in the door
She just had to see him she can't wait no more
Tonight she'll be with him no matter the cost
As the band plays The Last Cheater's Waltz

And oooooooooohh don't they play lonely
Oooooooooohh don't they play sad
And oooooooooohh three quarter only
See how he holds her
As the band plays The Last Cheater's Waltz

He tells her he loves her as the music plays on
He tells her he needs her but someone's at home
The ball game's all over and she knows she's lost
As the band plays The Last Cheater's Waltz

And oooooooooohh don't they play lonely
Oooooooooohh don't they play sad
And oooooooooohh three quarter only
See how he holds her
As the band plays The Last Cheater's Waltz

And oooooooooohh don't they play lonely
Oooooooooohh don't they play sad
And oooooooooohh three quarter only
See how he holds her
As the band plays The Last Cheater's Waltz
