Those memories of you still haunt me every night when  
I lay down  
I'll always love you little darling until the day they lay  
me down

In dreams of you my body trembles I wake up and call  
your name  
But you're not there and I'm so lonesome without your  
love I'd go insane  
Those memories of you...  
[ ac.guitar - viola ]  
I close my eyes and you're there with me your kiss I  
feel your face I see  
It's not your lips now that drive me crazy it's just your  
haunting memory  
Those memories of you...  
Until the day they lay me down
