(Billy Sherill)

I know that somewhere there's someone you love more  
than me  
Someone you love more than me  
And I hate to say it, but you have a right to be free  
I know that's the way it should be

But I'm too far gone  
Too far gone  
I've loved you so much for so long  
And I'm too far gone

If ever your new love should hurt you or make you feel  
blue  
Hurt you or make you feel blue  
Just remember your old love will still be around loving  
you  
I'll be around loving you

'Cause I'm too far gone  
Too far gone  
I love you so much for so long  
And I'm too far gone
