"When We're Gone Long Gone"

Trouble we have known trouble in our struggle just to
get by
Many times the burden's been heavy still we carried on
side by side
And when we're gone long gone the only thing that will
have mattered
Is the love that we shared and the way that we cared
when we're gone long gone
[fiddle - mandolin]
And when we're walking together in glory hand in hand
through eternity
It's the love that will be remembered not wealth not
poverty
And when we're gone...
When we're gone...
