(Rodney Crowell)

Guess it's time for me to say  
Just how it is that I feel today  
Today is just like any other day  
'Cause you've been on my mind.

It really hasn't been that long  
But it's funny where the time has flown  
Mem'ries just keep holding on  
And you been on my mind.

You been on my mind  
Aometimes I think I must be going blind  
I've seen a world baby, without you  
But I don't see myself there too.

Hardly does a day go by  
When I don't see your clear blue eyes  
Many nights I just wonder why  
And you been on my mind.

--- Instrumental ---

You've been on my mind so long  
I've been thinking that something was wrong  
I've told myself I should forget  
But I don't seem to have it yet.

I don't dream that you might change  
I don't think that I'm acting strange  
I tell myself it's all in vain  
And you been on my mind.

You've been on my mind I've said  
Till it's all that's in my head  
Yes, I know what I must do  
But I don't think you'll be there too.

Guess it's time for me to go  
But as it is I'll never know

Just what it is that I long for so  
And you been on my mind...
