If you call a woman
African woman no go 'gree
She go say
She go say "I be lady o"
If you call a woman
African woman no go 'gree
She go say
She go say "I be lady o"?
If you call a woman
African woman no go 'gree
She go say
(She go say "I be lady o")
She go say "I be lady"
(She go say "I be lady o")
She go say
(She go say "I be lady o")
She go say I no be woman
(She go say "I be lady o")
She go say market woman, na woman -
(She go say "I be lady o") (3x)
She go say I be Lady -
(She go
