To life  
Why are you afraid? What's it gonna do?  
Scared that you may change, isn't that the truth?  
Who are you to say? You're not gonna win  
How'd you ever know if you just give in?  
Tell me how will you know? How will you know?  
If you just give in, tell me how you'll grow?  
Stand up, you better stand up, come on, every time you  
fall down  
Stand up, stand up, even if you're small  
You can stand tall, come on, come on, yeah

Believe in yourself or who's gonna?  
If you never dream for yourself then who's gonna?  
How you gonna do for yourself, how you gonna ...?  
When you know you wanna prove it to yourself so  
you've gotta  
Gotta make a change rearrange if you wanna  
Make it to the top is a short day you got it  
Is a spotlight all for you but to bring it  
Bring an A game 18 cause you want it, stand up  
Stand up, come on

What you gonna do, what you gonna do?  
You'll just have to choose, choose, where you wanna  
go, where you wanna go?  
What is there to lose, yeah  
How you gonna move, how you gonna move?  
If you won't stay, stay, how you gonna flow? If you're in  
your way

Tell me, why do you delay? Why do you delay?  
And what you got to say? Say  
It's gonna be ok, stand up, you better stand up (come  
on now) every time you fall down  
Stand up, stand up, even if you're small, even if you're  
small  
You can stand tall, I'm feeling you

Believe in yourself or who's gonna?  
If you never dream for yourself then who's gonna?  
How you gonna do for yourself, how you gonna ... ?

When you know you wanna prove it to yourself so  
you've gotta  
Gotta make a change rearrange if you wanna  
To the top is a short day you got it  
Spotlight all for you gotta bring it  
Bring your A game 18 if you want it,  
Believe in yourself or who's gonna?  
If you never dream for yourself then who's gonna?  
How you gonna do for yourself, how you gonna ... ?  
You know you have to prove it to yourself so you're  
gotta  
Change rearrange if you want it  
To the top is a short day if you got it  
Spotlight all for you gotta bring it  
A game 18 if you want it.  
Stand up, come on, stand up.
