Staring again at the ceiling
and I'm watching you walk away
Watered eyes
Shallow breathing
I don't think that it's right

To wonder what's been going on without you
and what's new in your life
Obviously you doubt me
to not give me a try

Where do you go
when I'm wishing you'd call
Yeah, and I miss you so much
Do you miss me at all

Passing your house in the evening
your room where I used to lay
Lights off, they light up
Questions of where you are tonight

So where are you, so where are you
Where are you

And where do you go
when I'm wishing you'd call
Yeah, and I miss you so much
Do you miss me at all

And I hope you are living well

Where do you go
when I'm wishing you'd call
Yeah, and I miss you so much
Do you miss me at all

Do you m.i.s.s - m.e. - a.t - a.l.l.
Do you miss me at all

Do you miss me at all...
