(Emanuel)

I be on it all night man i be on that all day
Straight up pimp, if you want me you can find me in the
air

I be on it all night, all night, all night x4

I be on that kryptonite
straight up on that kryptonite
i be on that straight up on that
i be on the kryptonite

Time and Time again i gotta turn back round and tell
these hoes
That i am the H-N-I-C bitch thats just the way it goes
I be on that shit better have you on that i dont want no
more
At this time i need all my freak hoes to get down on the
floor
If you came to rep your shit, break that bitch, ill let
them know
If its jail i get for stomping haters to sleep, fuck it, i go
Freak ill be off in your sheets, straight geeked, swervin
down your street
In a stolen Bonville with 23's on the feet

i be on it all night man i be on that all day
straight up pimp if you want me you can find me in the
air

let me see it
let me see it
you can find me
let me see it

bounce that x4

you can find me in the air

(Twisted Sister)

all i wanna do is go boom boom boom in your zoom

zoom zoom

(Luda)

Southern-style, get wild, old school's comin' down in a
different color whip, whip, whip

Picture perfect, you might wanna take a flick, flick,
flick, flick, flick

Call up Jazze tell him pop up the bottles cuz we got
another hit, hit, hit

Wanna go platinum? I'm who you should get get get
get get

Ludacris on the track, get back, switch, switch on the
'Lac, I'm flexin' steel

Same price every time, hot song, jumped on cuz Ciara
got sex appeal

And I keep the meanest, cleanest, baddest, spinnin' on
stainless wheels

Could care less about your genius, I bump ya status, I
keep the stainless steel
