Once a lonely caterpillar sat and cried  
To a sympathetic beetle by his side  
I've got nobody to hug  
I'm such an ug-i-ly bug

Then a spider and a dragonfly replied  
If you're serious and want to win a bride  
Come along with us, to the glorious annual ugly bug  
Ball

Come on let's crawl (gotta crawl gotta crawl)  
To the ugly bug ball (to the ball to the ball)  
And a happy time we'll have there, one and all and the  
Ugly bug ball

While the crickets click their cricky melodies  
All the ants were fancy dancing with the fleas  
Then up from under the ground  
The worms came squirming around  
Oh they danced until their legs were nearly lame  
Every little crawling creature you could name  
Everyone was glad  
What a time they had  
They were so happy they came

Come on let's crawl (gotta crawl gotta crawl)  
To the ugly bug ball (to the ball to the ball)  
And a happy time we'll have there, one and all and the  
Ugly bug ball

The our caterpillar saw a pretty queen  
She was beautiful and yellow black and green  
He said would you care to dance  
Their dancing lead to romance  
Then she sat upon his caterpillar knee  
And he gave his caterpillar queen a squeeze  
Soon they'll honeymoon  
Build a big cocoon  
Thanks to the ugly bug ball

Come on let's crawl (gotta crawl gotta crawl)

To the ugly bug ball (to the ball to the ball)  
And a happy time we'll have there, one and all and the  
Ugly bug ball
