Lyrics to So Quiet You Were :

Silence sits with me again tonight,
all alone yet with you by my side.
Your mind's not here it's with someone else,
I don't know who it is, but I can tell.

So quiet you were.

Say what you want
I don't care if it hurts me.
Say what you want
I can take it then you'll see
how I am and where we stand.

Say what you want
I don't care if it hurts me.
Say what you want
I don't care if it breaks me
In your eyes, I see inside.

Pretending not to hear what I just said,
doing your make-up undistracted.
Any excuse why you have to go,
I see right through that, just so you know.

So quiet you were,
So quiet you were.

Say what you want
I don't care if it hurts me.
Say what you want
I can take it then you'll see
how I am and where we stand.

Say what you want
I don't care if it hurts me.

Say what you want
I don't care if it breaks me
In your eyes, I see inside.

Questions you ignite,

the flames are so damn bright.
Nothing makes no sense anymore.
Hide behind your face,
it gives so much away.
You don't make no sense anymore.

(Say to me)
(Say to me)

Say what you want
I don't care if it hurts me.
Say what you want
I don't care if it breaks me.
Say what you want
I don't care if it hurts me.
Say what you want
I don't care if it breaks me.

(Say to me)

Say what you want
I don't care if it hurts me.
Say what you want
I don't care if it breaks me.
Say what you want
I don't care if it hurts me.
Say what you want
I don't care if it breaks me.
