Yeah you know
Its real good when you find that one in a million
not afraid to say I messed up,

I seen a girl around the corner
All it did was made me think of you and I I'm missing
you (Girl)
Feel like I can take no more I have been trying but you
wont take my calls
and I (Im missing you)
girl I know I messed up but I fessed up thought a little
time would bring you back
now im a wreck cause it clearly wasn't so
So tell me what to do or what to say to make it right
Cause I need your arms around me every night

To me your worth a trillion your one in a million I'll
never find a woman like you
If you would give back your heart I swear by our love I'd
spend a lifetime making it up to you
Every night coming home to you

Ohhh ohh ohhh ohh ohhh ohhh ohhh ohhh ohhh ohhh
ohhh ohhh Yea

My friends been saying time again gotta try to get
yourself together I I'm missing you I do
Sure I get the magnitude but refuse to give up hope
you'll see that I'm missing you

Just want you to know that ten years from now Ill still be
knocking at your door now
Your love irreplaceable irreplaceable
So tell me what to do or what to say to make it right
cause I need your arms around me every night

To me your worth a trillion your one in a million I'll
never find a woman like you
If you would give back your heart I swear by all of I
would spend a lifetime making it up to you
Every night coming home to you

Ohhh ohh ohhh ohh ohhh ohhh ohhh ohhh ohhh ohhh
ohhh ohhh

Yea

Ohhh ohh ohhh ohh ohhh ohhh ohhh ohhh ohhh ohhh
ohhh ohhh

Yea

To me your worth a trillion your one in a million I'll
never find a woman like you

If you would give back your heart I swear by our I'd
spend a lifetime making it up to you.

Every night coming home to you

Ohhh ohh ohhh ohh ohhh ohhh ohhh ohhh ohhh ohhh
