Keith! Wake up!
You're not dreamin'
This is for real
(Frybread Girls) Ayeeeeee!

He said that she said he said
That you said he said she said
That she said you said he said
That you said he said she said

All I'm asking for.... is one more

Frybread (4 times)

He wants to settle down
Out on the edge of town
Far from the neon lights
Under the stars so bright
The fire glows and flickers
Between the catcus pickers
Out on the edge of town
He wants to settle down

All I'm asking for...
(way over here) is one more

Frybread (4 times)
Frybread in the morning time
Frybread in the evening time
Frybread at the lunch time
Frybread at the 49
He doesn't seem to mind
A mile long frybread line
We're all the same in side
Frybread all the time

All I'm asking for.... (you got it)

Frybread (4 times)

One-Two
Three-Four

I sure like that frybread
Five-Six
I wanna crispy kind
Seven-Eight

Frybread (4 times)
(Frybread Girls) Ayeeeeee!
