1... 2... 3... 4!

I cannot breathe
I cannot flee
All I see inside you
Go, Go around, with you again
I feel, I hear your madness

Expect it
I'm coming
Be careful
I'm coming
Be careful
I'm coming
Be careful
My coming

That life is dead
(I'm) beginning new
I'm gonna kill my memory
I will destroy all, that is yours
I cannot lose my freedom

I cannot breathe
I cannot flee
And you're so close behind me
It is not a joke
I'm really mad
I can kill you baby

You never never never know
This will happen on and on
One of you
One of us
Will experience madness
Anytime

Anyhow
Will experience harder

So understand this now
Your mind is yours

Untill you feel yourself

Expect it
I'm coming
Be careful
I'm cominig
Be careful
I'm coming
Be careful
My coming

That life is dead
(I'm) beginning new
I'm gonna kill my memory
I will destroy
All that is yours
I cannot lose my freedom

I'm coming...

You never never never know
This will happen on and on
One of you
One of us
Will experience madness
Anytime
Anyhow
Will experience harder

So understand this now
Your mind is yours
Untill you feel yourself
