I see a bad moon risin' I see trouble on the way
I see earthquakes and lightenin' and I see bad times
each day
Don't fool round tonight it's bound to take your life
there's a bad moon on the rise

I hear hurricane a roarin' I know the end is comin' soon
And I hear river's overflowin' I hear the voice of ragin'
ruin

Don't go round tonight...

[guitar]

Hope you've got your things together hope you're quite
prepared to die

It looks like you're in for nasty weather so now you're
sinkin' for an eye

Don't go round tonight...

Don't come round tonight...
