(Even the bad times are good)

[Connie]

If there's a chance that your heart misses the words I
try to say with kisses

If I don't seem to be as happy as I should

I wouldn't want to live without you I love everything
about you

[Both]

Yes even the bad times are good

[Nat]

Oh your middle name should be perfection cause that's
what you are to me

Even in my darkest moments you made it easier to see
I wouldn't change one thing about you if I knew that I
could

[Both]

Yes even the bad times are good

[Connie]

You never let me feel mistreated your love is all I ever
needed

[Nat]

When I was weak somehow you always understood
We're not afraid of stormy weather

[Both]

That's what keeps our love together

Yes even the bad times are good yes even the bad
times are good
