He turned the water into wine
He turned the water into wine
In the little Canaan town
The word went all around
That He turned the water into wine

He walked upon the Sea of Galilee
Well, He walked upon the Sea of Galilee
Then He shouted far and wide
And He calmed the raging tide
And He walked upon the Sea of Galilee

He turned the water into wine
He turned the water into wine
In the little Canaan town
The word went all around
That He turned the water into wine

He healed the leper and the lame, alleluia
Yes, He healed the leper and the lame
He said, "Go and tell no man"
But they shouted it through the land
That He healed the leper and the lame

He turned the water into wine
He turned the water into wine
In the little Canaan town
The word went all around
That He turned the water into wine

He fed the hungry multitude
He fed the hungry multitude
With a little bit of fish and bread
They said everyone was fed
He fed the hungry multitude

He fed the hungry multitude
Well, He walked upon the Sea of Galilee
He healed the leper and the lame
He turned the water into wine
Yes, He turned the water into wine
