(Can't you see that I'm waiting to share my world with you)

[Nat]

I'll share my world with you everything that I own
My earthly possessions there's no good if I'm alone
Let me bring you the sunshine when it's fresh with
morning dew

[Both]

Can't you see that I'm waiting to share my world with you

[Connie]

I'll share my world with you if you'll be mine alone
I'll give you a new heart you're the only love it's known
Let me give you my two arms they'll be happy if you do

[Both]

Can't you see they are waiting to share my world with you

[Nat]

I'll share my world with you everything that we see
Divide all the mem'ries one for you and one for me

[Connie]

Let me give you my two lips they'll be smiling if you do

[Both]

Can't you see they are waiting to share my world with you

Can't you see that I'm waiting to share my world with you
