In the year 2525 if man is still alive if woman can
survive they may find
In the year 3535 ain't gonna need to tell the truth tell no
lies
Everything you think do and say is in the pill you took
today
In the year 4545 ain't gonna need your teeth won't
need your eyes
You won't find a thing to chew nobody's gonna look at
you
In the year 5555 your arms a hangin' limp at your sides
your legs got nothin' to do
Some machines doin' that for you
In the year 6565 ain't gonna need no husband won't
need no wife
You'll pick your son pick your daughter too
From the bottom of a long glass tube oh oh
In the year 7510 if God's a coming he oughta make it
by then
Maybe he'll look around himself and say guess it's time
for the judgement day
In the year 8510 God's gonna shake his mighty hand
He'll either say I'm pleased where man has been or
tear it down and start again oh oh
In the year 9595 I'm still a wonderin' if man is gonna be
alive
He's takin' everything this old earth can give and he
ain't put back nothin' oh oh
Now it's been ten thousand years man has cried a
billion tears
For what he never knew now man's reign is through
But through eternal night the twinkling of starlight
So very far away maybe it's only yesterday
In the year 2525 if man is still alive and if woman can
survive they may find
