(Impossible impossible)
It's impossible tell the sun to leave the sky it's
impossible
It's impossible ask a baby not to cry it's just impossible

through me
Split the second that I never think of you oh how
impossible
Can the ocean keeps from rushing to the shore it's just
impossible
If I have you could I ever want for more it's just
impossible
And tomorrow should you ask me for the world

I would sell my very soul and not regret it
For to live without your love is just impossible
(impossible impossible)
