Well, it's all right
(It's all right)
It's all right
(It's all right)
Long as I've got my Lord beside me, well, it's all right
Long as I've got His hand to hold
Long as He's a watchin' over my soul
Long as every thing's in His control, well, it's all right
(It's all right)

Moses said, "It's all right"
When chariots of pharaoh followed them in their flight
Well, the sea divided in two, moses and the children
walk right through
Through a wall of water on their left and on their right

Well, it's all right
(It's all right)
It's all right
(It's all right)
Long as I've got my Lord beside me, well, it's all right
Long as I've got His hand to hold
Long as He's a watchin' over my soul
Long as every thing's in His control, well, it's all right
(It's all right)

Then David said, "It's all right"
When Goliath mocked him and he challenged him to a
fight
Little David said a prayer and then slung a little stone
and done him in
And the people said, "Amen and praise the Almighty's
might"

Well, it's all right
(It's all right)
It's all right
(It's all right)
Long as I've got my Lord beside me, well, it's all right
Long as I've got His hand to hold
Long as He's a watchin' over my soul
Long as every thing's in His control, well, it's all right

(It's all right)

Daniel said, "It's all right"
When they threw him in the lion's den that awful night
While the hungry lions walked about
Daniel said, "Lord, please help me out"
And the Lord, He shut the lion's mouth and He shut it
tight

Well, it's all right
(It's all right)
It's all right
(It's all right)
Long as I've got my Lord beside me, well, it's all right
Long as I've got His hand to hold
Long as He's a watchin' over my soul
Long as every thing's in His control, well, it's all right
(It's all right)

Well, it's all right
(It's all right)
It's all right
(It's all right)
Long as I've got my Lord beside me, well, it's all right
Long as I've got His hand to hold
Long as He's a watchin' over my soul
Long as every thing's in His control
