You laugh at all my jokes  
Even after they get old  
Drink every drop of coffee  
Even when it's cold  
This is what I love about you

Your calendar pages  
Are hastily ripped off  
You tell me you're not sick  
With a fever and a cough  
This is what I love about you

I won't stop meaning what I say  
If you're lonely I'm only a phone call away  
If relationships are playing cards  
You're my ace of spades  
I need you like shades of red  
On Valentine's Day

The shadow of your bus  
As it pulls away is shrinking  
I take comfort in the thought  
Of knowing what you're thinking  
This is what I love about you

And we could talk for hours  
About how the worlds corrupt  
You have no idea what you are gonna be  
When you grow up  
This is what I love about you

I wont stop meaning what I say  
If you're lonely I'm only a phone call away  
And if relationships are playing cards  
You're my ace of spades  
I need you like shades of red  
On Valentine's Day

I hope you don't forget,  
Cause baby you can bet
