Lights on!

Sparkles in your eyes turn the lights on,
It's clear to see that I got your attention.
Your eyes are screaming,
Baby, give me more, more,
you like the way i move it move ,move it.

I wanna know whats your intentions, it's hard to be
missed,
You want some, what do you need?
And I will follow through.
baby till the night it's over,
Are you gonna make a move on me?
Tell me what you want, tell me what you need
Get up and walk, get on the floor!
All night you been watching my..
I bet you like it when i do my..
Cause you're thinking i'm so fine
Shake, shake, shake!
I bet you can't get enough of my..
Me and the girls in the full light,
All the boys on the top,
And the ones on the bottom saying
Shake, shake, shake!
Right now you got me on a mission to the sunny town,
I bet your heart is racing like a race car,
You make me wonder what your waiting for, for?
I'm sure you cannot wait to feel it

I wanna know whats your intentions, it's hard to be
missed,
You want some, what do you need?
And I will follow through.
baby till the night it's over,
Are you gonna make a move on me?
Tell me what you want, tell me what you need
Get up and walk, get on the floor!
All night you been watching my..
I bet you like it when i do my..
Cause you're thinking i'm so fine
Shake, shake, shake!
I bet you can't get enough of my..

Me and the girls in the full light,
All the boys on the top,
And the ones on the bottom saying
Shake, shake, shake!
