Turn it up Turn it up turn it turn it turn it up

Turn it up Turn it up turn it turn it turn it up

So I can rock the night away, away

I'mma burn it up tonight it's going down

By live via satellite

All I'm seeing angels in my eyes.

It's going down

Heading straight to the front of the line

On the fly, on the floor I can't stand still

I am going to work like I am paying my bills

Party, and party some more

Rose up in the air, feeling good, feeling great

Turn it up, turn it up, turn it up,

So I can rock the night away

I'mma burn it up tonight it's going down

By live via satellite

All I'm seeing angels in my eyes.

It's going down

Heading straight to the front of the line

On the fly, on the floor I can't stand still

I am going to work like I am paying my bills

Party, and party some more

Rose up in the air, feeling good, feeling great

Turn it up, turn it up, turn it up,

So I can rock the night away

I'mma burn it up tonight it's going down

By live via satellite

All I'm seeing angels in my eyes.

Turn it up, turn it up, turn it up,

So I can rock the night away

So I can rock the night away

Turn it up, turn it up, turn it turn it turn it up,

Turn it up, turn it up, turn it turn it turn it up.
