This land is your land  
This land is my land  
We're gonna live as brothers  
And this can be our homeland

I know that I have right to die  
In the land that I was born in  
So has every man alive

Go, go, go, go, get away from me  
There's nothing in this world  
That could take that away from me

We are survivors  
We are killers  
Born of the dust  
Back to dust we'll be delivered

They wanna put us in chains  
Ooh, in chains, ooh, in chains

Where do we come from?  
Built from a richer dust  
Who are we following?  
Who is behind us? Who is behind us?

They wanna put us in chains  
Ooh, in chains, ooh, in chains  
Ooh, in chains, ooh, in chains
