Hey, I'm a long, long way from home  
Hey, I'm a long, long way from home  
I can tell you that I love you  
But you just keep leading me on  
Babe, can you see me flying home  
I said babe, can you see me flying home  
I can show you that I love you  
But you just keep me hanging on

Cause every body, every body likes to play  
I said everybody, every body looks a way  
Everybody, Everybody, Everybody, Everybody Yeah

Dam straight, I'm crazy for your love  
Dam straight, I'm crazy for your love

You can tell me that you love me  
But you just can't be alone

Because every body, every body likes to play  
I said every body, every body looks a way  
Oh Yeah every body, every body fans a flame  
Every body, every body likes a babe  
Yeah every body, every body, every body  
Oh Yeah every body, every body, every body  
Every body, every body, every body, yeah  
Every body, every body, every body, every body yeah
