Baby I am a fool,
for loving you the way that I do
And why, you turn off your love,
and the tears fell like rain

Don't know why I didn't see it coming
My Friends all told me time and time again
That it is you, who felt like leaving
But it is me, who feels the pain
Yeah you, left me to feel the pain

So I, close my eyes, and I see you with me
Those things that we do, oh my heart is killing me
The signs were there, I didn't see it coming
My friends all told me time and time again
That it be you, who felt like leaving
And it is me, who feels the pain

Yeah you, left me to feel the pain
Chorus:
I feel the pain, I feel the pain,
I feel the pain, I feel the pain,
Don't know why I didn't see this coming
And my friends all told me time and time again
That it be you, who felt like leaving
And it is me, who feels the pain
Yeah you, left me to feel the pain
Chorus:
Chorus:
You make me, feel the pain
We all feel the pain
