When your so lonely,
you're crying in your sleep.
Call my shadow,
to keep you company.
You don't have to be alone,
I'll lay beside you,
till your tears are all gone.

I'm a shadow looking down into your dream.
At Saddened faces, unhappy places that you've seen.
Come with me beyoud the mist,
Deep inside a lover's last kiss.

I'm a shadow, a shadow, a shadow.
And only a shadow can see,
The sad silloette inside.

A shadow, a shadow like me.

Sleeping pashions,
slowly fade away.
Surendered secrets,
that could never face the day,

You don't have to be alone,
I'll lay beside you till your tears are all gone.

I'm a shadow, a shadow, a shadow.
And only a shadow can see,
The sad silloette inside.
A shadow, a shadow a shadow like me.

I can inside your life,
feel your love, feel your fears, feel you fight
feel your heartbeat in the night.

I'm a shadow, a shadow, a shadow.
And only a shadow can see,
The sad silloette inside you.
A shadow, a shadow a shadow,
like me.
